

David learned to sail in 2000 through UMSC and enjoyed sailing JY15's and CL16's with them for five years. David heard about ASI through a supervisor at work and liked the idea of the larger daysailers and the keel boats, so he joined ASI in 2006. David became a Level 2 sailor in 2007 so he can now enjoy sailing both the 18' Interlakes on Kent Lake and the 28' O'Day's on Lake St. Clair. When not sailing the lakes of St. Clair and Kent, David can be found sailing his own boat - a 17' Hunter - up north. David says of himself that he loves sailing, but his friends might describe him as obsessed. When not sailing, David enjoys his work as a School Social Worker with the Dearborn Public Schools where he has worked since 2000. For 15 years prior to that, David worked as a psychiatric social worker . Says David, "Few activities besides sailing can be described as both relaxing and exhilarating - plus, with ASI, you get to meet such great people!"
