The **Interlake Maintenance Class** for Level 1 Students from all classes is offered on the **first** and **third** Saturday of June, August, and September, and the **third** Saturday of July, from 9 AM to 1 PM at the Kensington Metro Park East Boat Launch. There is no additional charge for this training and no reservations are necessary to attend this class. **Maintenance class must be completed prior to taking the Level 1 written test.**

Docking and Capsize Workshops

In order to provide additional opportunities for students and rated members to improve their skills, ASI offers workshops in two vital skills: docking and capsize recovery. All these workshops take place at Kensington Metro Park at Kent Lake East Boat Launch. The tentative schedule for 2012 appears below.

July 21, 2012 Workshops: Docking 9 am – noon
Capsize: noon – 2 pm

August 25, 2012 Workshops: Docking 9 am – noon
Capsize: noon – 2 pm

US Sailing Small Boat Certification

ASI offers US Sailing Small Boat Certification. Requirements include ASI Level 1 Rating, one year sailing experience and passing the US Sailing water test (including an actual capsize recovery). For information see www.sailasi.org or call the ASI office for an application. There is a \$25.00 fee payable to ASI for the test plus the additional cost of US Sailing certification (payable directly to US Sailing).

ASI SEMINAR FOR NEW AND RETURNING LEVEL 1 INSTRUCTORS

Instructor training is free to all ASI Sail Pass holders who volunteer as Level 1 Instructors. New and experienced instructors are encouraged to attend in order to keep their instruction in line with the curriculum. Prerequisite: Level 1 rating for one year.

**Questions about being an instructor should be directed to JoAnne McClure

PREREQUISITES:

1. Declare sailing ability by submitting a **sailing resume** to head of Level II instruction prior to submitting registration materials. Approved resume must be submitted along with registration materials.
2. Be an ASI member and Level 1 Sail Pass holder with all volunteer hours up to date.
3. Complete and present a certificate showing completion of US Power Squadron or US Coast Guard Auxiliary Safe Boating / Basic Seamanship course before the start of Level 2 classes.

REQUIREMENTS:

1. Attend **all** seven shore school classes listed above; pass the shore school tests; and complete the navigational charting problems satisfactorily.
2. Attend **all** on-water class sessions listed above and pass the performance appraisal. ASI wants you in the same class with the same students and the same instructor for all five of the water class sessions. This allows better continuity of instruction, improved learning experiences, and opportunities to develop the competence necessary to obtain the Level 2 rating.
3. Instructors may require extra sailing sessions for students who are deemed to need more practice prior to being rated. These are at the student's expense.
4. Students must purchase charts and supplies at their own expense.

Those who submit their completed 2012 Membership Renewal Form, 2011 Sail Pass with volunteer hours satisfied, copy of certificate from safe boating class, resume, and pay their fees will be given a reserved place in the classes. Once classes are filled, we will take applications and fees on a stand-by basis. Contact Bill Lane if you have questions.

Notice: This schedule subject to change due to class size, weather and boat availability. Students who pass the Level 2 Class must pay to upgrade their Sail Pass from Level 1 to Level 2 in order to be eligible to timeshare the Level 2 boats as Captain during the 2012 season.

Transfer Trip (required for Level 4 rating) – dates to be determined after the Level 4 Timeshare Schedule which is to be finalized March 2012.

Prerequisites:

1. Be an ASI member and Level 2 Sail Pass holder with all volunteer hours up to date.
2. Submit an application for the class prior to the date of the Level 3/4 lottery meeting.
3. The application must include a **sailing resume** delineating all sailing experience of the member wishing to enroll in the class.
4. Students in this class must have completed at least **8 sails on Level 2 boats with 4 or more sails as captain**. Members with equivalent experience may be accepted based upon their experience if it is deemed to meet this requirement.
5. The head of Level 3/4 instruction and the head of instruction will evaluate the applications and select the students.

Requirements:

1. Students must purchase charts to complete navigation problems and obtain an I-68 or Nexus documentation from the US customs and Boarder Patrol. Additional information will be available at first Shore School class.
2. Students must attend **all** shore school classes; pass the shore school tests, and complete the navigational charting problems satisfactorily.
3. Students must attend **all** on-water and maintenance work and learn class sessions and pass the performance appraisal. Completion of shore, maintenance, and Lake St. Clair classes successfully are required for a **Level 3 rating**.
4. Students must attend the Maintenance Seminar on Saturday March 5, 2011 from 9 AM to 4 PM. **Level 4 rating** requires completion of the week-long transfer trip. Costs for transfer trip are dockage, pumpouts, food and personal equipment. Students must arrange for transportation for the return to Metro Detroit.

Note: Students who pass must pay to upgrade their Sail Pass to Level 3 or Level 4 in order to be eligible to timeshare the Level 3/4 boats as Captain during the 2011 season.

Other Level 3-4 dates (not included in Level 3 & 4 class):

All fees and volunteer hour requirements must be in by **February 10, 2012** in order to participate in the **Time Share lottery** held on Tuesday, **Feb. 21, 2012, 6:30 - 9:30 PM, at Oakland Center WSU**. Level 4 students may participate but must have a mentor for their timeshare the first year.

Cruising Workshop: week(s) to be determined based upon time share lottery results.

Return Transfer Trip: To be determined.

Notice: This schedule subject to change due to class size, weather and boat availability.

MINIMUM VOLUNTEER HOUR REQUIREMENTS:

ASI is a non-profit, and for the most part, all-volunteer organization. ASI is dependent upon the involvement of our members for success. Let us know what your skills are, and where you'd like to participate. Volunteer hours are satisfied by performing maintenance, instructing, being a dock master, and in many other areas (check www.sailasi.org for a more complete list).

Listed below is a schedule of the minimum volunteer hours required by all Sail Pass-holding members, based on their rating:

| | |
|--------------------|--|
| Unrated students - | 6 hours the first year; 12 hours there after. |
| Level 1 - | 12 hours (includes returning unrated students) |
| Level 2 - | 22 hours (12 hrs. on Level 1 boats and 10 hrs. on Level 2 boats) |
| Level 3/4 - | 32 hours (12 hrs. on Level 1 boats, 10 hrs. each on Level 2 boats and Level 3-4 boats) |
| Interlake Racers - | 2 additional volunteer hours (must involve Level 1 boat maintenance) |

Level 1 Maintenance is done at Kent Lake on Saturday mornings, all summer, from 9 AM to 1 PM.
Level 1 Maintenance at Stony Creek Lake is scheduled one Saturday per month or on an as needed basis.
